

PEACHY Double Layout (Ceramic Die Cut) Tutorial by Alicia McNamara

“My inspiration for this Layout was the Ceramic Die Cut Paper. I chose a collection of black and white photographs to create a Double Page Layout. This Layout is quite simple to create. The lovely papers do all the work and allow the photos of my nieces and nephew to pop.”

- AMc

PRODUCTS USED:

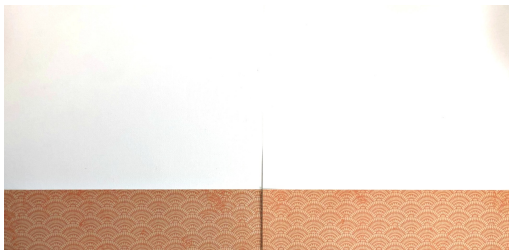

PAPERS: PEACHY Collection: P2623 Aura (x2), P2626 Taupe, P2629 Golden, PS451 Ceramic – Die Cut,

KC PRODUCTS: SS373 Sticker Sheet, CT947 Collectables, T302 Foam Dots, T321 Acid Free Craft Glue, LDB1056 Foam Tape, T314 Double Sided Tape, CD101 Coconut Card Stock (x2), CD103 Smoke Card Stock.

Other: Orange Misting Spray.

INSTRUCTIONS

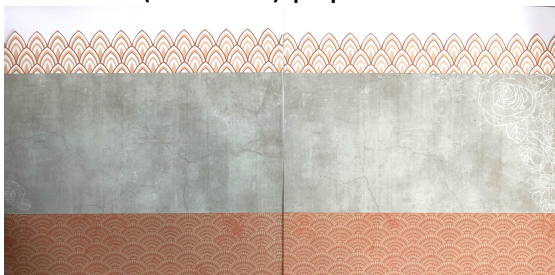

- Begin with two pages of 12x12 Coconut Card Stock.
- Cut GOLDEN into two strips 3 inches x 12 inches. Adhere with double-sided tape to the bottom of each page of Coconut Card Stock.

- Cut AURA (Reverse) in half to create two strips measuring 6 inches x 12 inches. Adhere to middle of the Layout.

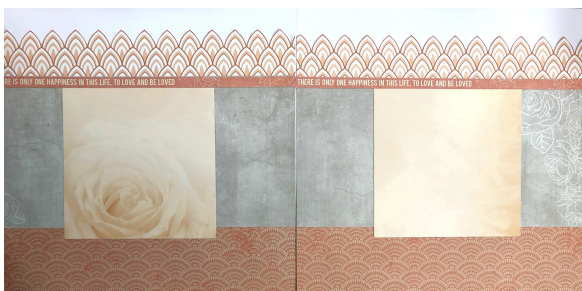

- Fussy cut two strips from AURA (showing three rows of the pattern) and adhere to top of AURA (Reverse) paper.

PEACHY Double Layout (Ceramic Die Cut) Tutorial by Alicia McNamara

- Take the remaining GOLDEN paper and cut two 6x6 inch squares. Adhere 7 cm from the two outer edges of the Layout. Add Barcode strip from AURA to join between fussy cutting and large rectangles.

- Add sticker strips to edges of squares.

- Mount your photos onto Smoke Card Stock.

- Cut CERAMIC DIE CUT in half and adhere to the centre of the layout.
- Decide where to place your photos on the Layout and mount with Foam Tape.

PEACHY Double Layout (Ceramic Die Cut) Tutorial by Alicia McNamara

- Cut three squares from TAUPE following the printed lines and position onto Layout.

- Choose three flowers and three words from Collectables to place on each square tile.

- Embellish with a few Stickers, Collectables and Misting Spray.
